

Boxer Rescue Victoria

Breed: Boxer

Contact: Jodie

Email: rescueboxers@hotmail.com

Website: www.boxerdogrescue.net

About the breed:

The eternal puppy, the Boxer is a happy, affectionate dog totally devoted to their people.

Ideal owners for this breed:

Boxers need to be exercised regularly, trained fairly, and most of all, allowed to live inside with their family. People unwilling to commit to the above are not the owners for a Boxer.

How this rescue program works:

Boxer Rescue Victoria rescues and re-homes Boxers in need of new loving forever homes, working closely with Shelters and Pounds around Melbourne. All Boxers are Desexed, C5 vaccinated, Microchipped, Heartwormed tested, Wormed and De-Fleaded.

Please contact the group if you would like to know more about Boxers or are interested in adopting a Boxer.
